In his 45+ years experience as Director of Design and Principal at two of the region's leading architectural, planning and interior design firms, Bill has developed expertise in a wide range of commercial, educational, institutional and retail facilities.

Bill's commitment to design excellence is reflected in the fact that his projects have been honored with over 55 major design awards at national, regional and local levels and he has authored numerous articles on strategic facility planning, renovation design, workplace design trends, retail design trends and design to improve workplace productivity. Mr. Eberhard received the first *Business Week/ Architectural Record/ IBD/IIDA* national design award for the design of a workplace that measurably improved productivity and the client's bottom line (Capitol Financial Group; Cleveland, OH; 88,000 sf).

Both a registered architect and certified interior designer, his reputation for crafting space with a seamless integration of products and materials has resulted in his serving on national design advisory councils for Steelcase, Herman Miller, Haworth, AllSteel, Prince Street Carpet, Shaw Carpet, DesignWeave Carpet and Deca Limited. Mr. Eberhard's zealous commitment to the integration of architecture and interior design lead to the creation of the Interior Architecture market in northeast Ohio, which now includes over 600 design professionals in dozens of firms who in one form or another emulate Eberhard's design process and practices.

Mr. Eberhard was selected for Crain's "40 Under 40", served on the American Institute of Architects Ohio Interior Design Licensing Task Force, the AIA Ohio Prompt Payment Task Force, is a founding member and President of the Design Forum of Cleveland, served on the Board of Trustees at Vocational Guidance Services for 25 years and he participated in the 2006 class of Leadership Cleveland.

In 2018, Mr. Eberhard and two colleagues formed the Cleveland Architecture Foundation, a 501c3 non-profit to elevate the design culture in Northeast Ohio. In 2018, Mr. Eberhard was a juror for the American Institute of Architects national design awards program for Interior Architecture and in 2019, he served on the AIA Ohio Design Awards Jury.
